

ATTENTION: All New and Existing Life Members

I would like to introduce myself, I am John Cubit and the new NSVA Life Membership Chairman. At this time I am receiving all the records from the National Secretary and the past Life Membership Chair. As I review the records and find out where we stand I will do my best to insure that all new membership applications are processed in a timely fashion. Of course I must control cost so at times it may take a little longer because of the printing one card as compared to being able to have up to 16 cards processed at one time.

Please forward all requests along any required fees to me, this will allow faster service.

My contact information is: NSVA Life Membership Chairman
