

**ATTENTION ALL SEABEES!!! As you have heard the contaminated Camp Lejeune water system has been linked to various illnesses. Many Seabee units received combat training there over the past decades. we have been provided a link to the battalions that have trained there and the dates. Check & share the website for your time there and contact the VA for further information on filing a claim. Follow this link: [Camp Lejeune - Seabee Training Records \(navy.mil\)](http://www.navy.mil/camp-lejeune-seabee-training-records)**
