CHAPLAIN'S CORNER

I recently attended my High School 70th reunion. A number of the attendees were asked what it was like to grow up in the 50's. Everyone agreed that it was a less stressful time and that a return to that era would not be a bad thing.

For starters it was a time when law enforcement was respected and obeyed. A time when School Teachers did not have to worry if they would be assaulted by a student and students did not have to practice "Active Shooter Drills" because of someone going into an elementary school with the expressed goal of killing as many innocent children as possible was unthinkable.

In our time, we were taught by our parents to be polite and respectful and to never take anything that did not belong to us. People very seldom locked their doors or their vehicles. We were also taught to respect and honor our Flag and to be proud of being an American.

This all started to change when public buildings and schools ceased to allow religious symbols and doctrine. We could no longer have a copy of the Ten Commandments publicly displayed because someone would sure scream Bloody Murder and bring a lawsuit against the offending individual or group claiming that their constitutional rights were being infringed upon, you know, separation of Church & State. When I and my peers were growing up if someone were shot and killed it would become Headline News for days, today if it happens it usually gets a few lines of press somewhere on the back pages if reported at all.

At the risk of offending someone, this country is Morally Bankrupt and is not what our Founding Fathers envisioned when they wrote the Constitution, it has been twisted and bent to appease those who do not acknowledge they believed in a Higher Power.

I myself would like to see a return to the lifestyles and attitudes I enjoyed in my youth when lawlessness and disrespect were the exception and not the rule.

I will close by saying "GOD BLESS AMERICA"

POSTSCRIPT

June 28, 2025, the NSVA lost one of its most dedicated members of all time and this issue of your CAN DO is in honor of his contributions to the NSVA.

CREVE COEUR ~ Melvin D. Ramige, 90, of Creve Coeur, where he resided his entire life, died at 12:45 AM, June 8th, at Timbercreek, in Pekin. Born Nov. 22, 1934, in Peoria, to Melvin E. and Emily (Hodgkinson) Ramige, he married Rosemary A. Hoppe on Feb. 3, 1956, in Peoria. She went to be with Jesus on February 17, 2017.

Surviving are four children, Michael D. of East Peoria, Mark D. (Jill) of Charlotte, North Carolina, Mitchell D. of Creve Coeur, Marta Brewington, of Braselton, Georgia; four grandchildren, Mark Ramige, Jr., Melisa Ramige, Derek Brewington, and Brent (Emma Brown-Bernstein) Brewington; five great-grandchildren, Westley Ramige, Luna Brewington, Paloma Brewington, Rubi Ramige and Jack Brewington.

He was also preceded in death by his parents; one infant son, Matthew; one brother, John of Creve Coeur and one sister, Ann Weaver of Hanna City.

Mel retired from Komatsu Dresser Co. as Chief Engineer, Mechanical Drive Trucks after 32 ½ years. He was a member of the Retired Employees Club of Komatsu Dresser. He was a former Cubmaster of Pack 42, Creve Coeur, a coach in Little League, a Charter Member of the Fort Creve Coeur Board, and its first Treasurer, and a former member and President of the Creve Coeur School Board. He served on the Creve Coeur Zoning Board of Appeals.

Mel was a life-long member of Grace Presbyterian Church, where he was an Usher, the Treasurer of the FTF Sunday School Class, and a member of the Monday Morning Work Crew at the church.

Mel served in the Navy Seabee Reserves for 31 ½ years, attaining the rank of CWO4. He was the National Secretary of the Navy Seabee Veterans of America, (Navy SVA), Secretary of the Navy SVA Department of Illinois, and Secretary of Navy SVA Island X-4, Peoria, IL.

He was a Life Member of the Navy SVA, CEC/Seabee Historical Foundation, National Chief Petty Officers Association, and the National Rifle Association. He was a founding member of the United States Navy Memorial Association, where a commemorative plaque honors his 26 years as National Secretary of the Navy Seabee Veterans of America.

The Navy Seabee Veterans of America named their 24th fully funded SMSA Scholarship in honor of Melvin D. Ramige to recognize his contributions to improving the organization for SEABEES.

Mel served with 14 different National Commanders of the Navy SEABEE Veterans of America where he took them by the hand and led them through the proper procedures of the NSVA.

His meticulous recordkeeping allowed for a seamless transition of his position to our new National Secretary in 2016.

The pictures below are located at the Navy Museum in Washington, DC. Mel's plaque is located directly below the plaque dedicated to Seabee Marvin Shields, the only Seabee to be awarded the Congressional Medal of Honor.

SW District Commander Chett Winchell represented the NSVA at Melvin's services. The Ramige family was honored and grateful for the recognition and respect their father deserved and received.

COMMANDERS CORNER

Navy Seabee Veterans of America Office of the National Commander Seabees, Families, and Friends

It is with great honor and humility that I accept the responsibility of serving as your National Commander for the 2025-2026 term. The Navy Seabee Veterans of America has a proud legacy-rooted in determination, skill, and the "CAN DO" spirit that has carried us through battlefields, disaster zones, and rebuilding efforts worldwide.

Our mission is to strengthen membership, honor our history, and expand outreach so that every Seabee past, present, and future has a home within this organization. As we grow, we want every Seabee to bond together, support each other and explore future visions that make us stronger. Keep building your SWARMS but always extend membership to keep the NSVA legacy alive. It is important that each SEABEE joins this great organization whether you are active duty, reserve force, retired or a Seabee Veteran. Being part of the family speaks to our heart, "With Willing Hearts and skillful hands, the difficult we do once but the impossible takes a bit longer." We will tackle this task together no matter how difficult or dangerous!

Our Outreach Committee is working to gain corporate support, strengthen partnerships, and reconnect with the Seabees who may feel distant or forgotten. No Seabee should ever stand alone.

We will build as we fight for you.

I challenge each of you to "Find Your One" one Seabee, friend, or family member you can bring into our fold. Together, we will grow, expand our reach, and safeguard the proud legacy of the NSVA. Thank you for your trust, dedication, and continued service beyond the uniform. With God's guidance and the strength of our Seabee family, there is no limit to what we can accomplish.

CAN DO!

Respectfully

Eric Treece

ISLAND HOPPING

HOLY TOLEDO!! It's the members of Island X-4 Toledo, OH getting ready for their monthly meeting. From L-R we have Wallee Cox, Kent Klem, Phil Krauss, Gary Boudeau, Paul Punches and Kent Marshall. Island X-4 went semi-dark for a while, but they have come back, thanks to the hard work of Paul Punches and others. Ough-Rah X-4!

Good Morning friends,

On the morning of October 18th, 2025, three members of the Navy Seabee Veterans of America, Island X-4, Longmont, CO and two friends, completed another successful day of Adopt a Highway service to the residents of Weld County and the State of Colorado motorists. The crew consisted of Patrick Reinard, Mark Abromski, Gerald Kissinger, Clarence (Sky), Solomon (friend), and Rodney Rice (friend).

The crew performed over 18 hours of volunteer cleanup, picking up and bagging 18 bags of debris, in addition to lumber, metal, mud flaps, advertising signs and automobile parts. This cleanup of the State Highway provides a critical need by clearing the right-of-way for upcoming mowing operations by the Colorado Department of Transportation. Thank you, to all, for your CAN-DO ATTITUDE and COMMITMENT to the Colorado community!

BRAVO ZULU, Volunteers! Submitted by Gerald Kissinger SW District CDR. and Natl. Treasurer

2025 National Convention Highlights

For those of you that missed the 2025 National Convention, it was a very successful and fulfilling event. The accommodation was very well appointed and clean. Of course, being in the heart of the Disney, area, there was more than enough entertainment and activities to keep everyone occupied. There were numerous and varied venues and types of eateries within a short walking distance of the hotel.

Speaking of eating here's a shot of the Ford Garage Restaurant in Orlando with some familiar faces having dinner.

The Opening Ceremony and display of Colors

This Knight was the Green Color's Champion

The show was very well done, the knights with their horsemanship, choreographed fighting scenes and overall athleticism. However, they were upstaged by their steeds. The horses stole the show with their performances and routines. There was a display of Falconry which was very impressive and captivating. It was hard to take your eyes off such a sleek and flawless performance.

Nancy Ward and Carol Parker placed commemorative roses honoring the departed Seabees. Chaplain Michael Boncheck reads a passage from the Ceremony's script.

Readers Nancy Staples and Chett Winchell. The Ceremony was very moving and solemn. The length of names in the program grows yearly.

The Convention Banquet

The annual convention banquet was a well attended event as the following pictures show. There were many pictures of the banquet activities plus other events to select from for this edition. Following are a few pictures that capture the spirit and comradery of the event and the overall convention. Pictures include the newly elected Commander and Vice Commander, Guest and Keynote speaker awards, the traditional youngest/eldest Bee's present along with Department and Island accomplishment awards.
