

COMMANDERS CORNER

I Hope this finds everyone well. As you know, our Mid-Year Meeting was held Friday March 6th, 2020 at the Westin Crystal City Reagan National Airport Hotel. The meeting was very productive. There is still much to do regarding proposed Resolutions to be brought before the assembly at the National Convention to be held in Colorado Springs over August

I have to say I expected to receive a greater response to our request for feedback regarding the question of a possible merger between the Navy Seabee Veterans of America and the Seabee Historical Foundation. We want to make sure we are considering this issue from as many points of view as possible. Most importantly, if its good for the NSVA. Please continue to send your thoughts, questions and concerns to my email: jjseabee@yahoo.com . The SVA feasibility committee is in the process of addressing all the concerns sent to me.

On another note we are still striving to get back to 4 (four) printed issues of the Can Do Magazine per year. As you know we need as much communication as possible. However, we could use some assistance in accomplishing this. Therefore, it would be greatly appreciated if everyone tried to enlist advertizers. The form is on our website under the advertisements tab. Thank you in advance for all your help.

Yours in the Can Do Spirit
James J. Furey
