

Resolution Proposal for NSVA

Resolution Number: 2025-1_

(Assigned by NSVA Secretary)

Submitted By: Anthony Amesquita Jr

Subject: Implementation of Legacy Membership Initiative for NSVA

WHEREAS, the Navy Seabee Veterans of America (NSVA) seeks to ensure financial sustainability and strengthen the organization's technological foundation;

WHEREAS, the introduction of a tiered Legacy Membership program-Bronze, Silver, and Gold-enables members to contribute to the organization's financial stability while accessing modern digital tools;

WHEREAS, the initiative provides members with the flexibility to participate in the program by selecting their desired tier:

1. Bronze Membership (\$400): Entry-level tier providing access to digital wallets and NFT-based membership certificates.
2. Silver Membership (\$800): Includes all Bronze benefits plus metaverse access and data tracking tools.
3. Gold Membership (\$1,200): Includes all Bronze and Silver benefits plus exclusive tools for managing living trusts and DAO-based governance participation.

WHEREAS, the revenue generated from the program will support the development of cutting-edge

technological solutions and the Legacy Fund to create generational wealth opportunities for veteran families;

THEREFORE, BE IT RESOLVED, that the Navy Seabee Veterans of America approve and implement the Legacy Membership Initiative, allowing members to contribute a one-time payment of \$400 (Bronze), \$800 (Silver), or \$1,200 (Gold) to access the respective benefits;

BE IT FURTHER RESOLVED, that the funds generated will be allocated as follows:

1. 50% to technology integration (digital wallets, metaverse infrastructure, and trust tools);
2. 30% to the Legacy Fund for long-term veteran support programs;
3. 20% to operational and administrative costs.

BE IT FINALLY RESOLVED, that the Legacy Membership Initiative will commence within the next fiscal year and include a detailed implementation plan, with progress to be reviewed annually by the NSVA Board of Directors.
