Tickets purchased at MWR for \$54.50, no tax and separate \$5.00 tip to Medieval Times Orlando. I bought a Block of 40 tickets. Why did I do that? By purchasing in volume, we get an UPGRADE to Preferred {Royalty} Seats and each member gets a Knights Banner. If you go to the Website, you will see it is far below the Street Price. Any questions or comments please call 813-681-5861. The process is: Go to the ticket counter, give them your name, and be sure to say SEABEE VETERANS OF AMERICA. They will give you a seating number. Then will call for tables to be seated. Enjoy the Show!!
